Hi all:

We've been asked to prepare a few Q/As in preparation for the Administrator's June 28, 2012 appearance before the House Committee on Science, Space and Technology (HSST).

Hearing Notice:

Full Committee Hearing - Strengthening the Scientific Backbone of the EPA: An Examination of Agency Practices and Foundations for Regulations Affecting the American Economy
 2318 Rayburn HOB Washington, DC 20515 | Jun 28, 2012 10:00am to 1:00pm

Witnesses

The Honorable Lisa Jackson, Administrator, U.S. Environmental Protection Agency

OCIR has requested the following Q/As from OECA:

(7) Regional fracking: Pavilion(R8), Dimock (R3), and Range (R6) -- ORD and the identified regional

congressional offices are leads on these issues, but to the extent there are enforcement concerns related to these regional fracking activities, please provide a Q/A for each. Please coordinate review of the Q/A with your regional counterparts as necessary.

FYI: all three of these sites were also mentioned in a recent letter from Rep. Andy Harris (Chair, Subcommittee, Energy and Environment) -- attached.

(22) Enforcement Policies re: fracking

If you see other issues listed below in which OECA has a role (e.g., Congressional request or inquiry), please let me know and I will ask OCIR to advise as to whether we should develop a Q/A.

Please submit your Q/As to me by Noon on Tuesday, June 19, so that we can have time to clear them through the OECA Immediate Office. OCIR has requested all Q/As by Wed. the 20th.

Thanks,
Loan
